Re: *United States v. Kenneth Grandison*, 23 Cr. 627 (JGK)

Dear Judge Koeltl:

The Government submits this letter, with the consent of the United States Probation Office (“Probation”), to respectfully request that internal chronologies maintained by Probation, detailing Kenneth Grandison’s supervision, and any other records and reports relating to drug testing and treatment of Mr. Grandison while on supervised release, be unsealed. The Court has scheduled a revocation hearing in this case for September 16, 2024, and Probation has indicated that they have information relevant to the Specifications set forth in the May 10, 2024 Violation Report contained within their chronologies and records. In addition, the Government anticipates calling a Probation Officer to testify at the hearing.

Accordingly, the Government respectfully requests that the Court enter an order unsealing these chronologies and related records and reports in advance of the hearing.¹

Respectfully Submitted,

DAMIAN WILLIAMS
United States Attorney
